Project period: March 2024 to February 2026

EMI supports you on your individual path into self-employment with the following services:

- Collaborative development and formulation of your start-up idea
- Assistance with market and competitor analysis
- Help with the formulation of the business concept (business plan)
- Collaborative calculation of capital requirements, profitability and liquidity planning
- Advice and referral regarding various financing options
- Workshops by experts on topics such as business plan, accounting & profit calculation, tax law and health insurance
- Support with administrative acts, including registration and tax registration
- Referral advice regarding the recognition of foreign diplomas
- Networking with other migrant founders

Consulting and assistance services are offered in the form of coaching.

Take advantage of the collaboration with us and **become your own boss!**

The EMI project supports...

Start-ups, commercial and freelance, by people with a migration background. From the idea, to the business plan, to the formal registration and up to 6 months after the start of your self-employment, our EMI project provides advice and support for business start-ups **throughout Saxony-Anhalt**.

On your way to self-employment...

migrants **living in Saxony-Anhalt** who are interested in setting up their own business are **individually** advised by our project team **free of charge** by profiling & coaching as well as extensive advice and workshops.
